LECTURERS DEPLOYMENT

DCSCW // Design communication & copywriting
DMP // Digital Imaging & photography
TYP // Typography
HCD // Human centred design
IMAP // Design matters & production
WEB // Web & mobile interface design

BRA // Brand design
PACK // Packaging design
PUB // Publication design
BOO // Business of design
PMP // Final major project

BRA2 // Blending
PDM // Principles of modelling
DABC // Design & business communication
RAM // Research skills & methodology 1

UICT // Integrated advertising campaign 1
RAM2 // Research skills & methodology 2
IAC2 // Integrated advertising campaign 2
IMA // Interactive media application
PFA // Interactive project

DCSCW // Design communication & copywriting
DMP // Digital Imaging & photography
TYP // Typography
HCD // Human centred design
IMAP // Design matters & production
WEB // Web & mobile interface design

BRA // Brand design
PACK // Packaging design
PUB // Publication design
BOO // Business of design

BRA2 // Blending
PDM // Principles of modelling
DABC // Design & business communication
PMP // Final major project

GDW1 // Graphic design studio 1
GDW2 // Graphic design studio 2
GDW3 // Graphic design studio 3
GDW4 // Graphic design studio 4
VAS1 // Visualisation study 1
VAS2 // Visualisation study 2

DCAP1 // Design culture & practices 1
DCAP2 // Design culture & practices 2
DCAP3 // Design culture & practices 3

DCSCW // Design communication & copywriting
DMP // Digital Imaging & photography
TYP // Typography
HCD // Human centred design
IMAP // Design matters & production
WEB // Web & mobile interface design

2DM // 2D motion graphic
3DV // 3D visualisation
VSD // Video for advertising
PMP // Final major project
PMP // Final major project

DCSCW // Design communication & copywriting
DMP // Digital Imaging & photography
DRA // Interface design & interactivity
IDV // Data visualisation
UEXP // User experience studio
WF // Wayfinding
PMP // Final major project
PMP // Final major project

FAUD // Principles of audio
PACO // Principles of acoustics
MPOP // Music production in the pop music genres
MPAM // Music production in rock, metal and alternative genres
LMP // Live music production

HMRT // Harmony 1
SAA // Songwriting and arrangements
VP // Video production
VPP // Video post-production
APP // Audio post-production

IM // Introduction to mastering
BOM // Business of music
SPM // Study in popular music
MED // Media
DAM // Introduction to sonic arts
